

Privacy Statement :

SMEEP Technologies privacy policy tells you how we use personal information collected on the SMEEP Technologies website or other sites managed / hosted by SMEEP Technologies. Please read this privacy policy before using the site or submitting any personal information.

By using the SMEEP Technologies website or other sites managed / hosted by SMEEP Technologies, you are accepting the practices described in this privacy policy. These practices may be changed, but any changes will be posted and changes will only apply to activities and information on a going forward, not retroactive basis. You are encouraged to review the privacy policy whenever you visit the SMEEP Technologies website or other sites managed / hosted by SMEEP Technologies to make sure that you understand how any personal information you provide will be used.

Note: The privacy practices set forth in this privacy policy are for the SMEEP Technologies website or other sites managed / hosted by SMEEP Technologies only. This site may sometimes contain links to other sites whose information practices may be different from ours. Visitors should consult the other sites' privacy notices, as we have no control over information that is submitted to, or collected by, these third parties.

Collection of Information:

We collect personally identifiable information, like names, postal addresses, email addresses, phone numbers etc., when voluntarily submitted by our visitors. This information you provide will only be used to fulfil your specific request, unless you give us permission to use it in any other manner, for example adding you to one of our mailing lists.

The SMEEP Technologies website or other sites managed / hosted by SMEEP Technologies may sometimes offer content, e.g., contests, promotions, sponsored by or co-branded with identified third parties. By virtue of these relationships, the third parties may obtain personally identifiable information that you voluntarily submit to participate in the site activity. SMEEP Technologies website or other sites managed / hosted by SMEEP Technologies has no control over these third parties' use of this information. The SMEEP Technologies website or other sites managed / hosted by SMEEP Technologies will notify you at the time of requesting personally identifiable information, if these third parties obtain such information.

Controlled use of your Personal Information:

We give you choices and control over the collection and use of your personal information. You can update your personal information or remove your email address from our mailing list.

There are known methods that spammers can use to hide their identity by using other people's email addresses to send out emails. If you have any question about the genuineness of an email you receive that appears to be from SMEEP Technologies website or other sites managed / hosted by SMEEP Technologies, contact us at info [at] smeep.tech and do not furnish personal information in response to that email.

Cookie Technology:

The site may use cookie and tracking technology depending on the features offered. SMEEP Technologies website or other sites managed / hosted by SMEEP Technologies's usage of cookie is very rare except when you opt for 'Remember my ID on this computer'. Personal information cannot be collected via cookies, however, if you previously provide personally identifiable information, cookies may be tied to such information. Aggregate cookie and tracking information may be shared with third parties.

Distribution of Information:

We may share information with Governmental agencies or other companies assisting us in fraud prevention or investigation. We may do so when: (1) permitted or required by law; or, (2) trying to protect against or prevent actual or potential fraud or unauthorized transactions; or, (3) investigating fraud which has already taken place. The information is not provided to these companies for marketing purposes.

Commitment to Data Security:

Your personally identifiable information is kept secure. We have put in place appropriate physical, electronic and managerial procedures to safeguard and help prevent unauthorized access, maintain data security and correctly use the information we collect online. All emails and newsletters from this site allow you to opt out of further mailings.

Reason for Data Collection:

We collect your personal information to carry out and administer our services to you and in an effort to improve your customer experience. The main purposes for collecting personal data by us are:

- Processing your registration for our seminars and events
- Enquiry or feedback
- Direct marketing
- Incorporation into our user database
- Service surveys
- Other related purposes

We may use your personal data both inside and outside APAC and EMEA.

Changes to our Database Policy:

We will post any changes to our database policy so that you are always informed of the way we collect and use the data. If at any point we wish to use the data you submitted for a different purpose, you will be given the opportunity to opt out or otherwise prevent us from making such use of your data.

How to opt-out or correct your data:

You always have ultimate choice and control of the data we store, as well as the types of information you would like to receive from us. You have the choice of either receiving or not receiving news and product updates from us. Should you decide not to receive any emails from us, please follow unsubscribe link in our emailer. To opt-in or update our mailing-list, please follow unsubscribe link in our emailer.

We reserve the right to make changes to this policy. Any changes to this policy will be posted.
